1. With reference to the above dispatch, you are advised that
E J is scheduled to leave Bremerhaven for the U.S. on
14 June by ship.

2. Our information indicates that he will probably accept a
position as foreign correspondent with one of the leading international
publications, possibly Time. If he accepts the Time assignment, he
would probably be located in Frankfurt—an excellent location from the
standpoint of our operational interests.

3. While E J appears to be determined to enter the foreign
journalistic field, he has indicated that he would be interested in
undertaking limited operational assignments for us if they are not
inconsistent with his permanent work.

4. He has been requested to contact you at the home office.
If he does not contact you by late June, however, and you are definitely
interested in talking with him, I suggest you obtain his home address
from the files of E J's office and attempt to reach him.

This document is part of an integrated
file. If separated from the file it must be
subjected to individual systematic review.
